Re: Break-ins and Theft of Property

Executive present: Doug Clark, Garry Fuerst, Patty Herbert, Darryl Herbert,  
Ron Finlay, Brad Woodworth, Doug Milak

1. Call to order at 6:10 pm.
2. The executive was apprised of the information available regarding the incident. A key factor discussed was the issue of the cameras not providing a good description of the vehicle or any license plate.
3. Several possible solutions were discussed including a gated key system and increasing the number of surveillance cameras.
4. The solution decided upon was to upgrade and expand the surveillance camera system. Brad Woodworth made the following motion:  
    “ to increase the security system to include a separate wireless system not to exceed \$2500.00 in cost to provide camera surveillance of all berms.”  
    Seconded by Patty Herbert  
    Carried unanimously.
5. Two other item were requested:
  - a. Members be advise to contact police directly if they were to discover furthers thefts or damage;
  - b. The Police Service be respectfully requested to provide increased patrols to cover the DYC.
6. Meeting adjourned 6:59 pm
